

DIACONAL FUND

www.icfwageningen.org/diaconal-fund/

In ICF, we live in the awareness that Christ gave His life for us. So, we feel called to be a giving community. As we grew from a student movement to a church (2013), with the energy and spirit of a movement, we would like to answer to our calling - to care for each other 's needs.

Until 2018, the deacons have been functioning as a judicial committee on financial requests and gifts received from Church members. For privacy reasons, one deacon has been chosen to be the contact person. This means that requests can be processed faster.

Daniel Garcia will be the deacon in charge of this ministry as well as the contact person for the diaconal funds. To make sure requests and decisions are being made in a responsible and balanced way, Karen will help Daniel while making decisions.

As a leadership, we strive to answer requests within one week. Besides, we will create a special fund to answer diaconal needs. Of course, we are not able to give long-term financial support. However, we would like to support people who suffer temporary financial challenges. Not just financially, you can also go to Daniel with more practical diaconal needs.
